Morning comes so brightly
Clear and fresh today.
Someone daily helps me
Illuminate my way.

What shall we ask while walking
On the way?
What shall we ask for quietly?
What?

Just that the grass will stay green
Just that the sun keeps shining
And with its light will stroke us,
You and me.

Just that the grass will stay green
Just that the sun keeps shining
And with its light will stroke just
You.

Blue-eyed little child
Bring me light today.
With your stary two eyes
Help me find my way.

What shall we ask while walking ...

Just that the grass will stay green ...

Someone let me know
A rainbow white as snow.
From inside that rainbow
A wondrous tone will grow.
